

## Personal information

Full name: **Emma Lepri**  
 Spoken languages: **Italian (native), English (fluent), German (basic)**

## Current position

February 2026 – now **Assegnista (postdoc)**, *Università di Torino*, Torino, Mentor: Elena Martinengo

## Past positions

Sep. 2023 – January 2026 **Research associate**, *University of Glasgow*, Glasgow, Mentor: Michael Wemyss.

## Education

Nov. 2019 – May 2023 **Ph.D. in Mathematics**, *Università la Sapienza, Rome*, cum laude, Tutor: Domenico Fiorenza, Supervisor: Marco Manetti  
 thesis title: “ $L_\infty$  morphisms and semiregularity”.

Sep. 2017 – July 2019 **Master Degree in Mathematics**, *Università la Sapienza, Rome*, 110/110 cum laude

Sep. 2014 – July 2017 **Bachelor Degree in Mathematics**, *Università la Sapienza, Rome*, 110/110 cum laude

## Invited Talks

- KCL/UCL Junior Geometry Seminar, 24/06/2021.
- Seminario di Natale 2021, Università degli Studi di Milano, 21/12/2021.

- GAP (Geometry, Algebra, Physics) Seminar, Penn State, 6/09/2022.
- Algebraic Geometry seminar, University of Glasgow, 28/03/2023.
- Seminario di Algebra e Geometria Algebrica, Dipartimento di Matematica dell'Università di Torino, 06/06/2023.
- Talk in the conference “Giornate di Geometria Algebrica e Argomenti Correlati XVI”, Hotel San Michele, Cetraro (Università della Calabria), September 2023.
- Geometry and Analysis Seminar, University of Oxford, 27/11/2023.
- Algebra seminar, University of Edinburgh, 20/03/2024.
- Talk in Séminaire ALPE, University of Toulouse, 11/06/2024.
- Talk in GAP (Séminaire Itinérant de Géométrie et Physique) Edition XIX: Moduli spaces and higher structures, La Sapienza, 12/09/2024.
- GAP (Geometry, Algebra, Physics) Seminar, Penn State, 3/12/2024.
- Uppsala Algebra Seminar, 25/03/2025.
- Talk in workshop “Some like it hot, Geometry & Topology in Rome”, INdAM, July 2025.
- Talk in “Workshop on Derived Categories, Noncommutative Geometry and Deformation Theory”, Hotel San Michele, Cetraro, July 2025.
- Seminario di Algebra e Geometria Algebrica, Dipartimento di Matematica dell'Università di Torino, 23/09/25.
- Talk in GTM seminar Genova-Torino-Milano, Genova, 5/02/26.
- Talk in “Homological Algebra in Algebraic Geometry and Representation Theory”, Salerno, March 2026.

## Organisation of conferences and seminars

- May 2024 **Co-organiser (with T. De Deyn, I. Kaur, M. Pressland, F. Rota) of the workshop Algebraic Geometry Days in Glasgow, 8-9 May 2024, University of Glasgow**
- Sep. 2024 – June 2025 **Organiser of the Algebraic Geometry Seminar, University of Glasgow**

## Teaching

- 2024 **Lecturer, Homological Algebra**, First part, Ph.D. course, SMSTC: Scottish Mathematical Sciences Training Centre
- 2021 – 2022 **Tutor, Istituzioni di Matematica Modulo I**, Scienze Naturali, Università La Sapienza, Rome

## Supervision

- Summer 2025 **Supervision of a MSc project, University of Glasgow**

## Scientific visits

- 15/08/22 – 10/09/22 **Visit to Ping Xu, Pennsylvania State University**
- 2/12/24 – 13/12/24 **Visit to Ping Xu, Pennsylvania State University**
- 22/09/25 – 26/09/25 **Visit to Elena Martinengo, Università di Torino**

## Refereeing and reviews

- Referee for Communications in Algebra, Annali SNS
- Reviewer for Mathematical Reviews and ZBMath
